Mount Fuji Virtual Challenge

The Mount Fuji Virtual Challenge will take you through a breathtaking 46 mile (74 km) journey to the summit of Mount Fuji – the highest volcano in Japan.

Each time you complete a distance-based exercise such as running, walking, cycling, swimming, etc you advance along with the map of Mount Fuji.

Go solo or use our private community to start a group and help each other stay motivated!

Start your fitness journey with Mount Fuji Virtual Challenge today and earn a stunning medal!

YOU VS. THE WORLD

Earn the stunning Mount Fuji medal

Celebrate your achievement with a stunning, limited edition Mount Fuji Virtual Challenge

finisher's medal.

The Medal gets mailed to you once you have completed the challenge. This one is guaranteed to stand out in your medal collection!

Virtually Travel to Mount Fuji

Our mobile app will map your progress on a virtual 46 mile (74 km) route on Mount Fuji. Every time you add a workout, you also advance on the map.

Not only can you see your avatar and others on the map, but you can also explore your virtual surroundings on Street View as you approach the top of the mountain.

Unlock Virtual Postcards

Receive custom virtual postcards when you reach certain milestones.

Each postcard contains interesting information about the location. 6 postcards are waiting for you along with Mount Fuji Virtual Challenge.

Track your Progress

You can track all your miles (km's) directly into our mobile iOS and Android apps.

You can enter an activity into the app either by manually entering its distance or by syncing your activities from your favorite fitness tracker or smartwatch.

Plant Real Trees as You Advance

We will donate toward the planting of a tree for every 20% of the challenge you complete. There's no extra work or cost for you — just make sure you keep exercising!

By the end of the challenge, you will have planted 5 trees. Imagine what we can achieve as a community! So far we have planted more than 450,000 trees since August 2020.

Find positive accountability

Each participant gets access to our private Facebook group. Words cannot describe how awesome our community is — seriously they can't.

People from all over the world will encourage you, share their stories, wins, and losses with you, and make you feel part of our tribe. Once you've signed up we will send you an invitation link.

Access anywhere

Log and see your progress on our iPhone and Android mobile app.

Team or solo

Get a group of friends or workmates together and share the load, or take on the challenge by yourself.

Choose your own timeframe

Pick your start date and choose how many weeks you want to set as your goal to complete the challenge depending on your exercise type, fitness level and how many other people there are in your team (if any).

Multiple exercise types

Any distance-based activity can count toward reaching the finish line. Do cartwheels if that's your thing.

Not your average t-shirt range!

Take your pick from two designs in men's and women's styles, a huge color range and sizes XS-4XL. Shipped to you once you begin your challenge.

Women's T-Shirt

2 design | 12 colors | S-2XL
